To Whom It May Concern,

This letter is to confirm the cooperation between "Aztelekom" LLC and FOMINOV CONSULTING LLC in the implementation of the A10 Networks Defend Mitigator 1060S project for enhancing the protection of our network infrastructure against DDoS attacks.

Within the scope of the project, FOMINOV CONSULTING LLC delivered the agreed solution, carried out the required implementation and configuration activities, and integrated the system into our existing network infrastructure.

The company fulfilled its contractual obligations in accordance with the agreed scope and completed the project within the contractual timeline. The implementation was carried out successfully, and the solution was deployed in line with the project requirements.

As a result of the implementation, the A10 Networks Defend Mitigator 1060S platform was put into operation to provide DDoS mitigation capabilities for our network infrastructure.

Should you require any additional information, please feel free to contact us.

Sincerely,
Acting General Director

Hasan Omarov Huseyin
